Declass Review by
NIMA/DOD

Gentlemen:

Enclosed please find four (4) copies of  Document 974-013-2, entitled "Final Report on The Design, Construction and Testing of A Liquid Bearing Incorporating A Built-in Pump."

The report provides a comprehensive review of the research accomplished together with design criteria for the manufacture of future liquid bearings.

If you should have any questions, please do not hesitate to contact us.

Very truly yours,

Contract Administrator
